

SC - 2AL

2 Axis Ultrasonic Food Cutting Machine

- This model is suitable for cutting/ portioning **SQUARE** bakery foods, frozen foods and processed meat.
- Max. process area: 40x40cm²

- The cut surface is clean and smooth. Nearly no downward force is added; structures are almost remained.
- The time spent on routine cleaning is 70%~90% decreased than traditional cutting machines.
- Linear guides of Cleanroom grade and Knife washing tank are installed; meets hygienic standards.

Model:	SC-2AL	Area:	Max. 400x400mm ²
Frequency:	20kHz	Safety protocol:	Light curtain installed in loading area at the front Others covered with acrylic or stainless shields
Safety:	CE	Dimension:	W650 x D880 x H1830mm
Switches:	Start, reset, and EMC are at the front	Weight:	130 kg ca.
System operation:	All set up is via 7" Touch HMI at the front	Power supply:	220V x 1Px 50/60 Hz
Status display:	Messages on HMI screen	Air supply:	5~8kg/cm ²
Movement of knife	Controlled by PLC; ascending/ descending speed is programmable	Space:	W1050x D1050x H2000mm clean space, ambient temperature
Drive type:	Z axis: Linear guide/ Servo Motor Turn axis: Servo motor	Option parts:	Knife in other dimensions
Knife size:	Standard Width: 315mm, effective height: 60mm Max. Width: 420mm, effective height: 60mm
